FOREWORD

To BRING you pictorial evidence of your daily life, as the first students of the new Hartnell, has been the aim of your 1949 yearbook staff.

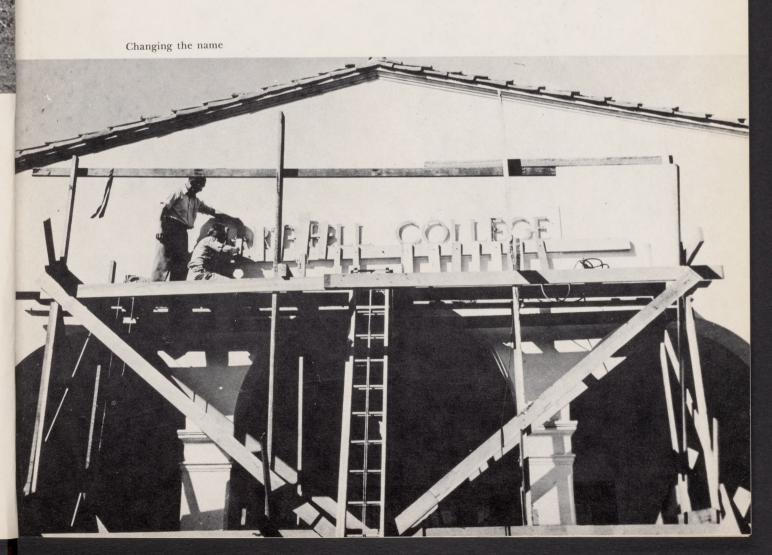

Mingled with your memories of the past year is the glamour of the gold rush, pioneer days, and the California Centennial years.

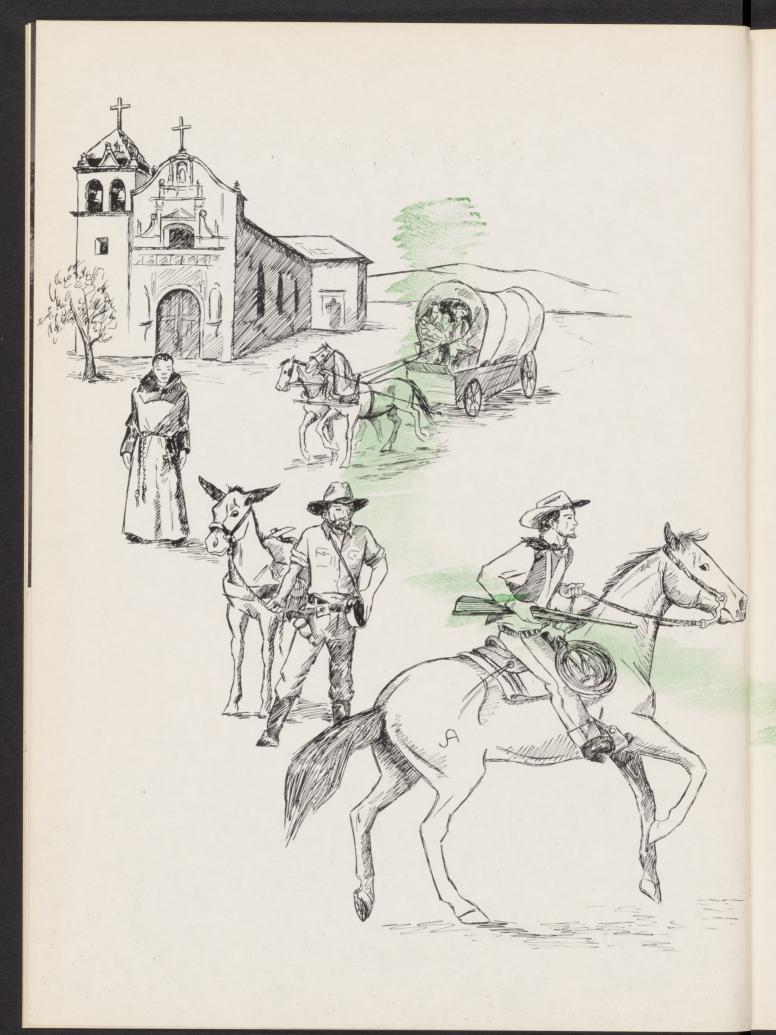

Centennial California may drift through the pages of La Reata but it is you—in study and recreation, learning and living as you take lecture notes, studying for exams, worrying over term papers, cheering the team, or dancing on Saturday nights—who make the heart of this book.

May it be a living record of the past, to bring reminiscing in the future.

DEDICATION

"EUREKA!"

This was the cry heard one hundred years ago as prospectors found the gleam of gold in the Sierra. Today, we can again say, "I have found it," for the opportunity of obtaining an education and living in a state with bright prospects for the future is as precious as gold.

William Edward Petty Hartnell opened the doors of his *colegio* to the sons of the wealthy dons in the winter of 1833-34. Within the thick adobe walls students and teachers seriously pondered mathematics, languages, philosophy, morals, and religion. But in early California such studies were unnecessary for success. Before the rush to Sutter's Mill, Hartnell's school became simply his residence.

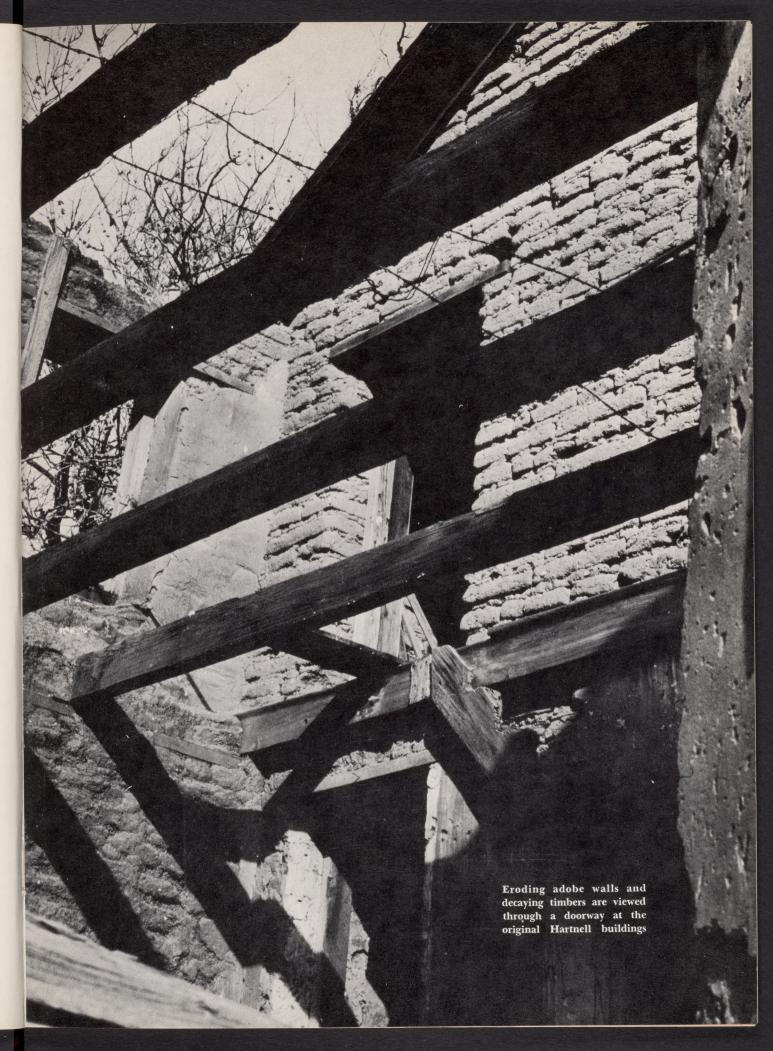

Years have passed and in that time education in California has advanced. Hartnell College, named for California's first educator, offers a large variety of courses in the arts and sciences, liberal arts, and occupational fields. Greater progress, with a new junior college district, is seen for the future.

So, in the spirit of '49 – to the California pioneers of yesterday, today, and tomorrow – we dedicate *La Reata*.

OUR CAMPUS

Green Lawns, the Panther, long corridors, and the many after-class discussions on the front steps will be long remembered by students who have spent most of their college hours on the main campus.

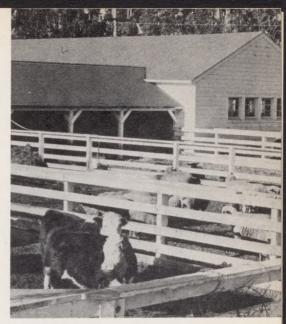

In addition to these memories, graduates with classes at the east campus will recall the efforts of opening the school of agriculture and mechanics. Corrals, barns, shops, crops, poultry, and livestock were all student projects.

On these pages you will recognize outstanding students in the many Hartnell classes. These are the people who raise class averages and participate in extra-curricular activities.

Inasmuch as the group was selected last semester, commencement speakers may not be included. However, *La Reata* predicts that the persons pictured will succeed in their chosen fields.

SUPREME COURT

STILL IN ITS infancy, the Supreme Court got off to a fast start this year by naming the student body vice-president as chief justice and adding five justices to the bench.

Last year little was heard from this branch of the student government, but with a new constitution in effect, action can be taken against persons guilty of misdemeanors on the campus.

Representing and governing the entire student body is the task of the commission. It was during their meetings that plans were made for dances, assemblies, and guest speakers, public relations with other colleges were strengthened, and a better athletic point system was made. Another function highlighting the year was the sponsoring of homecoming activities.

Vice-president Gamble also traveled to student government conferences and brought back valuable information for our own government.

Men's Club

PULLING IN THE belt buckle early, the Men's Club did a good job in sponsoring Field Day. All-day activities featured interclass contests, mud brawl, a huge dinner, Whiskerino, and a big dance after the Modesto thriller.

Just before Thanksgiving the turkey run was held with Les Hiserman again capturing the bird and giving a feed to the football team. Last month a new tradition was started in the campus "Carnival."

Upsilon Gamma Chi

A BIG EVENT on the Upsilon Gamma Chi calendar was the promotion of the annual Sadie Hawkins' Day in March. With chairmen helping her, President Laurine changed the atmosphere of the campus into Dogpatch style.

Advisor June Handley aided members in sponsoring the Ribbonero on Field Day and presenting to the entire student body the Christmas party held before Christmas vacation.

CARRYING ON an extensive athletic program for women was the aim of W.A.A. Several badminton tournaments brought out the best mixed-doubles here.

During basketball season W.A.A. members filled coffers of the treasury through coke and candy sales. Three delegates were sent to the statewide conference at San Rafael.

Block "H"

A FEW returning lettermen were able to participate in Block "H" activities this year. Many blocks were awarded to members of the football team, but shortly after the close of the season most of the stars left for four-year colleges.

Pictured, left to right, first row, are Gino Lorenzi, John Davies, and Roy Taylor. Second row, Pat Alexander, Don Mitts, Gene Haller, Del Deis, and Jim Walker.

Westminster meetings provided a religious background for the Protestant students attending Hartnell.

Besides entering a float in Homecoming Day festivities, the club sponsored several outstanding speakers and films for its members.

Flying Club

THE NEWEST club on the campus this year was the "Hartnell Flying Club." Early in February a plane was obtained through a student body loan and soon after ground school and flight instruction began.

Mr. Emil Ramos, faculty sponsor, and committeemen helped carry out other activities of the club.

Delta Psi Omega

Don Feliz, sub-director; Donna Musler, director; Carmen Costa, secretarytreasurer

New to the campus this year was Delta Psi Omega, a chapter of the national organization. Its purpose was to create higher interest in drama on the college level.

The Hartnell College cast and advisor, Mr. Harold Ulrici, produced "Night Must Fall," "Christmas Carol," "Late Christopher Bean," "Antigone," and 'Three-Cornered Moon" during the theater season.

LA REATA

Advisor Stuart Dufour

Вотн едіток and staff worked hard, covering all college affairs, to bring to you this year's La Reata.

A staff of three photographers, Pat Smythe, Marvin Smoot, and David Bird, provided pictures for the annual while two copy writers completed the sparse staff.

Once again Mr. Stuart Dufour assumed the duties of staff advisor.

HARTNELL BAND

Band, legionnaires and students on parade

Where are you heading? Cal, Santa Rosa, or Menlo . . . would be the answer from Mr. McCann of the band. Besides appearing in the half-time activities at home games, band personnel traveled to the out-of-town games. Well remembered was the postgame dinner held in Berkeley following the Hartnell-Cal Frosh encounter.

Featured on the program at almost all of the pep rallies, the band also entertained at student body concerts.

SINGING STRINGS

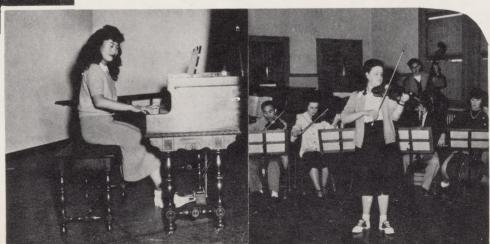

Mr. Lorell McCann, Beverly Carlsen, Marguerite Sander, Jayne Barrick, Tony Endroslan, Elsie Bassi, Alan Olson, Connie Olivete, Robert Jensen, Dean Peake and Della Schmaus

HARTNELL COLLEGE Singing Strings, under the baton of Mr. McCann, made their debut this year by presenting musical programs at several assemblies. Soloists from the group were Beverly Carlsen, Connie Olivete, and Elsie Bassi.

Several of the musicians also tried their hands at composing and directing.

HONEY HARRIS, aided by her court of four campus beauties, reigned supreme over Homecoming activities last fall.

The parade, one of the longest ever, preceded the gridiron clash between San Francisco's Rams and the Panthers. Hartnell A. and M. received the Goodfriend Perpetual Trophy for the best float, while Ed Dysle garnered the Sproles Alumni Trophy for most valuable player. Dancing culminated the events for the day.

PANT

Jess Regli, Assistant Coach

COACH BOB ROBINETT and company came through last fall to put the Hartnell Panthers among the ten best junior college football squads in the nation. It was also the most successful season in the history of Hartnell.

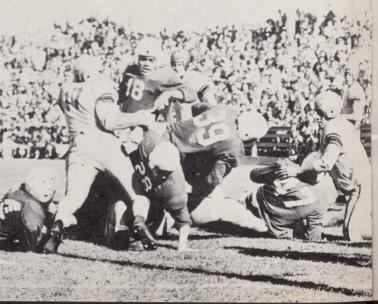

Most of the team members, at the end of the semester, went to four-year colleges to continue their football careers.

Now Robinett will have to start all over with new material for '49.

BASKETBALL

Panther Basketball players chalked up 20 victories out of a 31-game schedule this season. Coach Adams and his squad came back from the Modesto tournaments with a consolation trophy after defeating Pasadena.

High score man on the team and captain was Bill Whisler. Whisler was also picked on the all-conference team.

BASEBALL

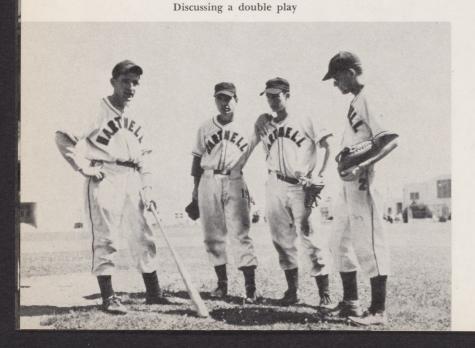

Winding up a rapid ball

IT was a touch and go season for the Panther baseball nine under Coach Jess Regli this year. Only three holdovers from last year, Mike Bellone, Pat Alexander, and Cliff Cracknell, augmented the '49 team.

Some outstanding candidates made prospects a little brighter.

PANTHER NETMEN were led this year by Milt Thompson, returning letterman. Spring matches resulted in a win over the Menlo squad and default over San Francisco City College. In all, the squad gave all comers a rough time.

Badminton players found time to participate in several mixed doubles tournaments here.

TUMBLING

Two Cavanahs and a Peavy

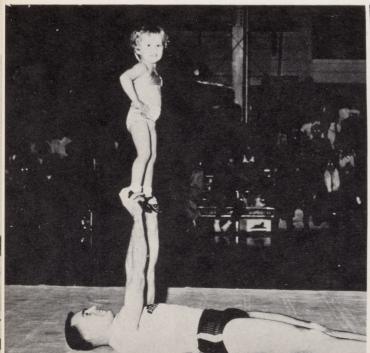

LITHE MEMBERS of Coach Darwin Peavy's tumbling team provided gymnastic thrills and spills at basketball games and other exhibitions. When half-time came around, mats would roll out on the hardwoods and the company would perform their pyramids, flips, and handstands.

An added attraction was little Miss Corpening, daughter of Ira Corpening.

OTHER GOLFERS in this area found competition in the Hartnell College golf team. Under the coaching of Bob Robinett, the group of club wielders represented Hartnell in several matches this spring.

WOMEN'S SPORTS

Competition was keen when Hartnell women found themselves playing basketball in their sports program. Miss June Handley, P.E. instructor, scheduled some exciting interclass games during the early spring semester.

As soon as weather permitted, baseball took the field.

Folk dancing, tennis, mixed badminton tournaments, equitation, archery, and golf found places in the athletic program.
